

NCS INDEX

A fan deck containing all NCS 1950 Original colours to use as a compact library when identifying colours onsite.

NCS Index provides a library of all NCS 1950 Original colours in a fan deck. With NCS Index the user has the full range of NCS standard colours at hand when identifying colours. Markings in the NCS Colour Circle and NCS Colour Triangle on each page show the positions of the colours in the NCS System.

Specifications

NCS Index is a fan deck with all colours divided into five different groups which are grey, yellow (G80Y-Y70R), red (Y80R-R70B), blue (R80B-B70G) and green (B80G-G70Y) with intermediate pages making it easy to navigate. A durable cover holds NCS Index together and a fastening at the top holds the pages into the cover when not in use.
